ADDITIONAL CLASSROOM CONDUCT AND RELATED INFORMATION

Each student has an agency-based *Field Instructor* who provides orientation to the field setting, assigns and directs practice activities, provides supervision and opportunities for integrating theory with social work practice, and evaluates the student's progress and learning.

Jacqueline Fields will be your *Faculty Liaison*, or instructor-of-record for the practicum course. Faculty liaisons consult as needed with students and field instructor(s), and usually meet with the student and field instructor(s) at least twice during the term (face-to-face meeting at least once for Calgary area agencies). **Jacqueline Fields** will be the instructor for the integrative seminar (SOWK 413), which is taken concurrently with practicum.

EQUITY, DIVERSITY AND INCLUSION

The Faculty of Social Work acknowledges the inequities experienced by racialized people, Indigenous people, and other marginalized populations. We aim to foster an environment that recognizes and celebrates diverse perspectives. Therefore, we are committed to eradicating all forms of injustices based on race, gender, ethnicity, sexual orientation, age, socio-economic status, religion, and disability.

MEDIA RECORDING FOR ASSESSMENT OF STUDENT LEARNING

The instructor may use media recordings as part of the assessment of students. This may include but is not limited to classroom discussions, presentations, clinical practice, or skills testing that occur during the course. These recordings will be used for student assessment purposes only and will not be shared or used for any other purpose.

ASSESSMENT AND EVALUATION INFORMATION

Evaluation of students in practicum is considered an ongoing process intended to highlight students' strengths and learning needs. Formal assessment of student's needs and progress occurs at the beginning, middle, and end of the placement. Evaluation processes and policies for SOWK 412 are detailed in the Field Education Policy Manual. Briefly, these are:

Learning Agreement – During the first two to three weeks in practicum, the student, in consultation with the field instructor, develops a plan for development toward achieving the five practice objectives of SOWK 412. The plan, approved by the faculty liaison, is tailored to the practicum setting as well as the student's particular learning needs and interests, and includes activities the student will undertake to learn and demonstrate competence in the objectives. The Learning Agreement serves to guide the focus of the practicum and helps the field instructor and student clarify respective responsibilities and expectations. Learning agreements are intended to be working documents. That is, with the agreement between the student and field instructor (and approval of the faculty liaison), activities can be modified, added, or removed as the practicum progresses and the student's learning interests and needs become clearer. **Your Faculty Liaison/course instructor will require you to pay attention to the completion of your learning agreement.**

Preliminary Impressions – Field instructors and students are asked to evaluate preliminary impressions of the practicum by the end of the third week. Recording preliminary impressions is intended to support the student's development of reflective self-evaluation, and to facilitate discussion of the student's strengths and potential areas of concern.

Mid-Term Evaluation – At about the halfway point in the practicum, a written mid-practicum report is prepared by the student and field instructor and submitted to the faculty liaison. A determination

regarding whether the student is meeting or failing to meet practicum requirements at mid-course is made.

Final Evaluation – At the end of the practicum (near or upon completion of required hours), a written final practicum report is prepared by the student and the field instructor and submitted to the faculty liaison. A determination regarding whether or not the student has met or failed to meet practicum requirements is made. The completed evaluation forms are due at the end of the term.

ATTENDANCE AND PARTICIPATION EXPECTATIONS

Students are expected to be in the field placement for 13 weeks, four days per week (normally Monday to Thursday), eight hours per day (32 hours per week), January 11 to approximately April 15, 2021, for a total of 300 hours. (* this time reflects COVID 19 constraints and is less than the 400 hours normally required). The specific practicum schedule is to be negotiated with the field instructor/agency, approved by the faculty liaison, and documented in the IPT system. The student's time in practicum is spent according to the particular requirements of the setting and learning needs of the student but must include direct and indirect social work practice opportunities as well as educational supervision. Students are not required to be in field placement during Winter Break (February 14-20) unless arranged with the agency.

Students are not expected to attend practicum when they are ill but must make up the practicum hours missed due to illness. In the event of illness, please contact the field instructor as soon as possible to inform them you will not be at your practicum due to illness. For more extended absences from practicum (more than two days), please contact your faculty liaison as well. Students are responsible for arranging with the agency a convenient time to fulfill the remainder of the practicum hours required for the course and/or to complete learning activities.

GUIDELINES FOR SUBMITTING ASSIGNMENTS

Please complete all forms electronically on the IPT system.

LATE ASSIGNMENTS

Please discuss with your faculty liaison if completion of these forms will be after the due date.

EXPECTATIONS FOR WRITING

All writing is expected to be written to social work professional standards. If you need writing support, please connect with the Student Success Centre, at:

<https://www.ucalgary.ca/student-services/student-success/writing-support>

ACADEMIC MISCONDUCT

It is expected that all work submitted in assignments is the student's own work, written expressly by the student for this particular course. Students are reminded that academic misconduct, including plagiarism, has serious consequences, as set out in the University Calendar:

<http://www.ucalgary.ca/pubs/calendar/current/k.html>

GRADING

The faculty liaison, as instructor-of-record, has final responsibility for assigning student grades. Students receive a CR (Completed Requirements) or F (Fail) as a grade for this course. Concerns

regarding a student's performance in practicum at any point in the semester may result in the student being identified as at-risk for failing the practicum, and such concerns should be discussed with the faculty liaison immediately. Policies and procedures related to at-risk situations are detailed in the Field Education Manual.

Students who do not receive a CR (Completed Requirements) grade in the field practicum course may be required to withdraw from the program. A student who is permitted to repeat a field practicum course normally will be required to repeat both the field practicum course and the corresponding Integrative Seminar course.

COURSE EVALUATION

Student feedback will be sought at the end of the course through the standard University and Faculty of Social Work course evaluation forms. Students are welcome to discuss the process and content of the course at any time with the instructor.

ADDITIONAL SUGGESTED READINGS

Additional suggested readings may be given by the field instructors at the practicum site. These readings will directly pertain to the specific practice and site of the student.

UNIVERSITY OF CALGARY POLICIES AND SUPPORTS

PROFESSIONAL CONDUCT

As members of the University community, students and staff are expected to demonstrate conduct that is consistent with the University of Calgary Calendar

Students and staff are also expected to demonstrate professional behaviour in class that promotes and maintains a positive and productive learning environment. Consistent with the aims of the Social Work Program and the University of Calgary, all students and staff are expected to respect, appreciate, and encourage expression of diverse worldviews and perspectives; to offer their fellow community members unconditional respect and constructive feedback; and to contribute to building learning communities that promote individual and collective professional and personal growth. While critical thought and debate is valued in response to concepts and opinions shared in class, feedback must always be focused on the ideas or opinions shared and not on the person who has stated them.

Students and staff are expected to model behaviour in class that is consistent with our professional values and ethics, as outlined in the Canadian Association for Social Workers, Code of Ethics (2005) and the Alberta College of Social Work Standards of Practice (2019). Both can be found online at:
