COURSE DESCRIPTION

SOWK 413 is a half credit course taken in one academic session concurrently with Social Work 412, Practicum II.

SOWK 413 is designed to facilitate the integration of knowledge, values and skills gained from other BSW courses, past experiences, and field placements. Within the supportive seminar context, students will have opportunities to discuss and critically reflect on social work practice drawing on their experiences in practicum. Students will enhance their ability to identify, apply, critique and evaluate social work theories, research, and conceptual frameworks. The course culminates with students' capstone written and oral expression of their professional practice framework.

COURSE LEARNING OUTCOMES

Upon completion of this course, students will be able to:

1. Identify, apply and reflect on their developing social work knowledge, values, and skills in the areas of generalist practice, reflective practice, competence with diversity, social policy and social justice, and professional identity/ethics;
2. Critically assess social work practice experiences through reflection, peer review, constructive feedback and consultation;
3. Have an enhanced ability to identify the linkages between the personal experiences of individuals and issues of social structures, and to act appropriately in relation to these insights;
4. Examine, critically reflect on and discuss the applications of theory in practice and the suitability of various practice methods;
5. Demonstrate entry-level social work intervention/response skills in specific area(s) of focus;
6. Consider and apply the CASW Code of Ethics in their social work practice and discussions; and
7. Actively participate in class discussions and work collaboratively and collectively with other students in furthering learning and professional development;

LEARNING RESOURCES

REQUIRED TEXTBOOKS AND/OR READINGS

- There is no required textbook
- Use APA (7th edition) formatting for citations
- Readings and other material for the course will be made available through the course D2L site.

LEARNING TECHNOLOGIES AND REQUIREMENTS

A D2L site is set up for this course which contains required readings and other relevant class resources and materials. A laptop, desktop or mobile device with Internet access, microphone and speaker is required for D2L and Zoom access.

Desire 2 Learn

D2L is a course management system that will allow us to share resources, complete related learning activities, and connect with each other via the discussion board and Zoom.

Zoom sessions:

Zoom meeting is an audio-visual, web-based program that will allow us to meet at a specific time for a “live” web conference, so that we can have the opportunity to see and talk to each other virtually and discuss relevant issues. In the Zoom sessions, students can expect to share ideas, give feedback and raise issues as they relate to their own practicum experience and that of their peers, and have the opportunity to process experiences from the field in a safe and instructional environment.

Discussion Board:

Online discussion in D2L is a key aspect of our learning in this course. The advantage of the discussion board is that it is asynchronous, that is, we can all contribute at a time that is convenient to each of us. We will participate in exploration of key field practicum themes (as outlined in the practicum learning agreement), case discussions, as well as discussion and debate relating relevant practice.

A D2L site is set up for this course, which contains required readings and other relevant class resources and materials.

Confidentiality in Class and Course Assignments

As professionals, students and the instructor will respect the guidelines of confidentiality outlined in the CASW Code of Ethics (2005). We will take care that no information that could identify a client of any service system be used in class meetings or in assignments. We will adhere to the policy that issues introduced in the seminar will be discussed in only general, not in particular ways outside the classroom.

RELATIONSHIP TO OTHER COURSES

The emphasis of SOWK 413 is on practice; that is, social work in action. Because students are expected to apply knowledge, skills and values to practice situations, this course is related to all other BSW courses. The seminar is directly linked to SOWK 412, Practicum II.

CLASS SCHEDULE

The initial seminar classes are intended to support students' as they settle into placement. The remaining seminars focus on the Practice/Learning Objectives articulated for the Practicum and Seminar. These objectives also form the 'outline' for the major assignments of the course related to the development of the student's professional practice framework. It is hoped that, through this schedule, students' work on their final papers/presentations will be supported throughout the semester. The seminar meetings are intended to enhance and deepen students' knowledge of the range of practice models and their capacity to articulate knowledge and skills related to their preferred approach to practice. The final course meetings are intended to support students as they exit the BSW program and enter professional social work practice.

ASSESSMENT COMPONENTS

Assignment 1 & 2: ITP Loops (20%) due

Aligned Course Learning Outcomes: 1,2,4,5,7

The intent of this assignment is to engage in case formulation and consultation from a social work lens using the ITP Loop model and peer consultation. The ITP Loop Model provides a process for social workers to deconstruct their practice and break it down into its component parts. Practice is an amalgam of listening, feeling, thinking, and acting in which all these processes occur simultaneously. What appears at first glance holistic and intuitive can be unraveled and articulated with the goal of improving field education experience and social work practice. The ITP Loop model consists of the following phases: retrieval, reflection, linkage and professional response.

This assignment will be divided into 3 parts and will take place both on the D2L discussion board and in class.

Part A: ITP Loop Process and Write Up: Each student will apply the ITP Loop to a practicum experience and, using the ITP template that will be provided in class, post a write-up in the discussion forum in D2L. The posting should be made up of the following sections: retrieval (250-500 words), reflections (max 250 words), linkage (max 250 words), professional response (max 250 words), and one question for peers that encourage critical reflection and reflexivity.

Please post directly onto the discussion board rather than attaching a document.

Part B: Responding to Others: Students are expected to offer helpful, supportive and resourceful consultation and feedback to their peers by responding to at least two other ITP Loop postings. Each response should be approximately 200 to 250 words. The responses will be assessed based on length and depth of response (i.e. illustrative of critical reflection and integration).

Part C: Integration of peer consultation: Reflecting on and integrating the feedback of peers is an important part of the reflective process. Shifts in thinking, new ideas and insights, which arise from peer collaboration, can enrich and bolster reflections about practice and the integration of personal and academic knowledge. The final integration should be approximately 200 to 250 words.

Students will be divided into small breakout groups on dates noted and will have the opportunity to present their ITP loops in class.

Rubrics detailing grading criteria for the ITP reflections will be posted on D2L within the first month of the semester.

Assignment 1: Integrating Theory and Practice (ITP) Loop #1:

Part A: Due January 31 by midnight on D2L

Part B: Due February 7 by midnight on D2L

Part C: Due February 10 by midnight on D2L

Weight: 10%

Assignment 2: Integrating Theory and Practice (ITP) Loop #2:

Part A: Due February 28 by midnight on D2L

Part B: Due March 7 by midnight on D2L

Part C: Due March 10 by midnight on D2L

Weight: 10%

Within the first month of term detailed rubrics will be posted on D2L.

APA format is not expected for this assignment.

Assignment 3: Professional Practice Framework – Written Component (35%) due March 21, 2021 at midnight

Aligned Course Learning Outcomes: 1,2,3,4, 6

The Professional Practice Framework will normally be a 3750-word document (exclusive of references) in a combined academic/reflective style. The overarching intent of the assignment is to support students' articulation of their unique perspectives, strengths, and aspirations relative to key components of social work practice.

The paper should incorporate content areas identified within the Practicum II and Seminar learning objectives. Students are welcome to incorporate recommended readings, academic and peer-reviewed reading materials (a minimum of ten references). After an Introduction, the paper should encompass the following:

Professional Social Work Identity – Discuss “social work identity;” describe perspectives on, components of, and/or consequences of “social work identity,” including (but not restricted to) professional codes/standards of practice and ethical decision making. Describe how your practicum experience(s) have contributed to your developing professional identity.

Generalist Practice – Discuss generalist practice. Describe your two preferred models of practice, identifying theories, knowledge and skills required for implementation of each. Demonstrate application

of theory to practice and/or research to practice using examples from your practicum and/or previous work experience. Reflect on why these models fit for you, and your current strengths and limitations.

Reflective Practice – Describe reflective practice and what it means to you. Describe the fit between your preferred models of practice and reflective practice. Demonstrate how your reflective practice could be integrated into your preferred practice models.

Competence with Diversity – Describe where “competence with diversity” fits within your own practice. Demonstrate your understanding of ongoing challenges related to individual and systemic oppression. Reflect on your growth in this area and anticipated future challenges.

Social Justice and Social Policy – Consider how your practice fits within the social work commitment to anti-oppressive practice (or an alternative social justice framework). Reflect on how your own personal practice framework is connected/disconnected with broader social justice goals related to sustainability, environmental justice, human rights and global issues.

Note that the paper does NOT have to follow the order in which the components are listed above. Students are welcome/encouraged to talk with the Instructor regarding their ideas about how to structure their paper (or alternative).

Paper Due Date: March 21 by midnight.

Papers will be submitted to Dropbox.

APA 7 format is expected.

Rubrics detailing grading criteria for the final paper will be posted on D2L within the first month of the semester.

Assignment 4: Professional Practice Framework – Capstone Presentation (25%)

Aligned Course Learning Outcomes: 2,3,7

Students will present in a conference-style format between March 29 & 30. Students will be pre-assigned a date and time for their presentation. A full presentation schedule will be posted on D2L in advance. Each student will have 15 minutes, with the expectation that 10 minutes be used for presenting and 5 minutes for responding to questions/comments from audience members. Students are welcome to select the mode of presentation that works best for them. Students are expected to attend both days of presentations, and attendance on March 29 and March 30 will be considered practicum hours.

The following are suggested as guidelines for the presentation. Students may choose to adapt these guidelines to suit individual circumstances. Students are also expected to adjust the number of minutes devoted to each area (indicated in parentheses).

- Presentation introduction (1 minutes)
- Your professional identity (3 minutes)
- The meaning of generalist practice and your two preferred models of practice within or extending the generalist model (5 minutes)
- How reflection fits in your practice (3 minutes)

- Locate yourself within social justice/anti-oppressive social work generally (2 minutes)
- Conclude with comments about your hopes/dreams/aspirations for the future (1 minute)

The rubric detailing the grading criteria for the presentation will be posted on D2L within the first month of the semester.

Course Participation: 20%

Aligned Course Learning Outcomes: 2, 7

Due date: Ongoing

The participant grade awards you marks for your dedication to being an active learner in the different components of the course. The participation grade will be allocated based on your ongoing participation in zoom sessions/class discussions. Zoom session attendance is mandatory. Students are expected to attend and participate in class synchronous sessions by critically analyzing and sharing experiences, asking meaningful questions, engaging in courteous listening skills, responding to questions and issues raised by their peers and guest speakers, offering feedback, sharing insights from the readings, and engaging in small and large group discussion. Additionally, students will be asked to participate in other reflective exercises and on-line participatory activities as part of the course. Participation marks will be given based on overall participation. More information, and a detailed rubric will be provided on D2L.
