

# 13<sup>th</sup> Annual Faculty of Social Work Symposium

March 9, 2022

## The Experiences of Somali Immigrant Mothers of Children with Autism

Photo by Ismail Salad Osman Hajji dirir on Unsplash

## A Hermeneutic Phenomenology Study

### Presenter

Mary Fiakpui, PhD

### Supervisor

Dr. David Nicholas

Faculty of Social Worker – University of Calgary

## Learning Outcomes

By participating in this symposium, participants will learn about:

1. The history and need for this study as it relates to Somali immigrant mothers of children with autism in Edmonton
2. Research findings as they relate to decolonization, diversity, equity and inclusion in practice and research
3. Study recommendations: Decolonization of education systems, service systems and immigration and settlement sectors
