

Revised on March 17, 2020			
Course Number	SOWK 745 S01		
Course Name	Research Methods I - Quantitative		
Instructor	Rick Enns, PhD, RSW		
E-mail:	renns@ucalgary.ca	Phone:	780.492.6971
REVISED CLASS SCHEDULE/DELIVERY			
<ul style="list-style-type: none">• The remaining classes for the term have been moved online using Zoom. Students will receive all information and support necessary to log in to sessions.• Online classes will run from 10:00 to 11:30 a.m., during the time period allocated for in-class sessions for this course.			
REVISED ASSESSMENTS			
<ul style="list-style-type: none">• The due date for the second assignment is March 30, 2020 but can be extended on a case-by-case basis following discussions with the instructor.• The third and final assignment in the class has been modified to include a second choice, in addition to the assignment as originally indicated. Students can choose between the following two options.<ul style="list-style-type: none">• Option 1: (as detailed in the original course outline). An individual assignment using an SPSS data set provided by the instructor. The focus will be on analyzing the data set using appropriate procedures identified by the student (both descriptive and inferential) from material covered throughout the course. Expectations and details as stated in the original course outline remain in effect. Weight: 40%. <p>- OR -</p> <ul style="list-style-type: none">• Option 2: Students are encouraged to consider and discuss alternate formats and expectations. Alternate assignments will be evaluated with reference to the course objectives and alignment with dissertation research and objectives. Weight: 40%
