**OUR COMMITMENT TO EQUITY, RACIAL JUSTICE, DIVERSITY, INCLUSION AND DECOLONIZATION**

The Faculty of Social Work (FSW), University of Calgary (UCalgary), is committed to promoting and actualizing equity, racial justice, diversity, inclusion and decolonization. We affirm that diversity and uniqueness are enriching and valuable, and that they can strengthen our teaching, learning, research, scholarship, and community connections. We aim to foster an inclusive, thriving and equitable environment for our students, non-academic and academic staff, and community members. We take the stand that [equity](#) does not mean sameness in treatment of people, but rather requires measures and accommodations for diverse life experiences and circumstances to ensure that no one of a particular social group is disadvantaged, underrepresented or overlooked in all aspects of our work. We intend to address systemic inequities and compounded disadvantages due to intersectionality of social locations, particularly for those who are members of racialized communities, Indigenous peoples, Black peoples, persons with disabilities, migrant groups (including refugees and immigrants), 2SLGBTQ+ communities, linguistic minorities as well as those who have experienced socioeconomic, caregiving, religious, political, and/or cultural barriers to their education and employment. We also recognize, honour, and integrate into our work diverse perspectives, ways of knowing and doing, experiences, and strengths. An anti-oppressive lens, particularly intersectional, anti-colonial, anti-racist and decolonizing frameworks, will inform our work.

## ASSESSMENT COMPONENTS

**Assignment 1: Case Presentation** - 40%- Due: to be scheduled in class.

Aligned Course Learning Outcomes: 1, 2, 3, 4, 5, 6, 7.

**Format:** You will create a presentation using PowerPoint, Prezi, Canva, Piktochart, or another platform. Alternative platforms and/or formats for the presentation may be discussed with the instructor. The presentation will occur either in class or will be pre-recorded and uploaded to the discussion board on D2L so that the rest of the class can watch the presentation asynchronously.

**Length:** 15 to 20 minutes

**Grading:** A grading rubric will be provided

**References:** You must incorporate at least 5 articles or books relevant to the case. You must adhere to APA 7th edition formatting guidelines.

**Description:** This assignment will give you the opportunity to define and discuss your model, theory and/or framework for social work practice, exemplified by your involvement with a specific case from your current practicum. Scholarly and practicum experiences come together to influence this perspective. The presentation will illuminate your critical thinking and integration of former and new knowledge.

The word “case” is used loosely and, depending on your practicum, could mean an individual, family, group, organizational, community, or systems level case. It could be about a meeting with a client, a workshop you facilitated or attended, a meeting with a supervisor, a component of a research project you engaged in, a team meeting, a presentation you gave, a policy you wrote, an advocacy action you participated in, a meeting with a community partner, etc.

The following sections are to be included:

- **Setting:** description of the organization (vision, mission, population(s) served, primary projects or programs, implicit and/or explicit theoretical frameworks) as well as relevant environmental influences beyond the agency (funding, politics, social attitudes, etc.) that you think are important to highlight.
- **Professional/personal orientation:** description of your developing professional and personal lenses relevant to the case analysis. This should include a discussion of your developing theoretical practice framework, personal and professional values, social location (such as gender, race, age, class, sexual orientation), and experiences.
- **Case description:** discussion of background and current details; description of your role in relation to the case.
- **Social work action:** description of the action phase of work with the case. Links between theory and practice should be clearly articulated.  
This may include the following sub-sections (you do not need to include all of these):
  - engagement and information gathering
  - assessment
  - intervention
  - termination
  - evaluation of effectiveness
- **Skills:** identify the personal strengths/capacities (existing and emerging) you used as well as any limitations.
- **Final reflection/readiness for practice:** putting it all together - what does this all mean for you as a beginning BSW practitioner? Include areas for continued exploration, growth, and professional development.

**Assignment 2: Course Participation** – 20% - Ongoing (10% self assessment/10% instructor assessment).

Due: December 4 by 11:59 p.m.

Aligned Course Learning Outcomes 1, 2, 3, 4, 5, 6, 7.

The participation grade awards you marks for your dedication to being an active learner in the different components of the course. The participation grade will be allocated based on the following elements:

1. A 150–250-word introductory discussion board posting including a brief description of yourself, your practicum setting (where, who works there, what type of clients you will be working with, supervisory arrangements, etc.) and your first impressions of practicum - including adjusting to the new environment, your initial impressions, questions, goals, challenges, and successes in practicum.
2. Other discussion postings and topics may be scheduled throughout the term. Completion of these is preparatory to participating in the seminar. It is expected you will respond to those topics.
3. Your ongoing participation in the class discussions. You are encouraged to participate fully by sharing new ideas, giving feedback, and raising issues as they relate to your field experience. Participation may also include facilitating or co-facilitating small group collegial discussions

during seminar.

4. Your participation grade will consider the quality and consistency of your participation, as outlined in the rubric provided in D2L. At the end of the term students will reflect and submit a self-evaluation of course participation in which you assess your contribution to course activities.

**Assignment 3: Celebrating the Journey – 40% - Due November 27 at 11:59 pm.**

Aligned Course Level Outcomes: 1, 3, 4, 5, 6.

Students are expected to locate themselves in social work practice either through creative expression (infographic or visual representation) or via a short paper (6 pages in length). It is important to remember that what is unique about a social work practice framework is that it includes a micro level systems analysis as well as attention to the dynamic and changing social environment and how you influence your practice with your personal context and application of experience and values. Your assignment will highlight what has contributed to your professional identity up to this point and identify directions for future growth and learning.

Students will include:

- Sources informing your practice (theories, frameworks, approaches, literature, experience)
- Your social location and identity in practice
- Emerging strengths for practice and the gifts you offer to the profession
- Directions for future learning or practice (e.g., skills, topics, approaches, opportunities, further education, or professional training)
- Strategies for continually improving and reflecting on your practice.

Students will reflect on and respond to the following question: How is the classroom and practice learning from your BSW program influencing the emerging social worker you are becoming? What are the implications and considerations for Practicum II.

Students are to select one of the following formats for this assignment:

Paper

- In a word document, integrate the components outlined above in 6 double spaced pages. Submit this via Dropbox or as an attachment in D2L.

Visual representation

- Utilizing your own creativity or a technology-based design program, symbolize the above noted points in a webpage, infographic or consult with your instructor for other visual representations.
- Post the upload your digital link to the Dropbox.

Recorded oral presentation

- In a recorded format such as audio or video, integrate the components outlined about in a 10– 15-minute oral presentation. Submit this via Dropbox in a .mp3 or .mp4 format

Summarize your presentation using a Word cloud or 2–3-minute audio/video summary and post to the D2L discussion board. <http://wordclouds.com>
