SYLLABUS STATEMENT

Examines social work practice in specific contexts.

COURSE DESCRIPTION

SOWK 557.49 fosters applied learning and inter-global practices within the contexts of Canada and India. Focusing on critical and anti-colonial approaches to knowledge and praxis, learners will engage with key concepts of relationality/reciprocity, experiential learning, and collaboration to foster a deeper understanding of the United Nations Sustainable Development Goals (SDGs).

SOWK 557.49 engages learners in an applied field study of India that begins with a critical examining of the SDGs. Taken concurrently with SOWK 557.50 or UNIV 501.82, learners will participate in pre-departure sessions via Zoom and travel to India for the field study as detailed in the itinerary. Students will acquire theoretical and applied knowledge through experiential, collaborative and reciprocal learning encounters that include Indian educators, community leaders, organizers, activists, and students. A key focus of this course is fostering reciprocal learning and knowledge exchange opportunities with social work students from India (Central University of Himachal Pradesh, Dharamshala [CU] and Jamia Millia Islamia [JMI]), engaged as co-learners on this course. Centralizing anti-oppressive theory and practices, learners are encouraged to participate in critical reflexivity and examine their perspectives on social justice and methods of achieving social change.

COURSE LEARNING OUTCOMES

Upon completion of this course, students will be able to:

1. Engage in critical reflection/analysis, group discussion and action related inter-global and cross-cultural work between (and among) Canada and India.
2. Develop their capacity to engage with participatory, popular and democratic learning processes.
3. Develop reciprocal learning and exchange methods with social work students from CU and JMI.
4. Enhance their knowledge and practice to work inter-culturally.

5. Understand tools and approaches used to address the 2030 United Nations Sustainable Development Goals (SDGs; e.g., human rights and environmental sustainability) at a local level.
6. Apply their knowledge of SDGs in relationship to Canada and India.

Research study participation: Please be advised that within this course, you will have the opportunity to volunteer as a research participant in a study that aims to examine the feasibility and effectiveness of group study programs. Further details will be provided at the start of the course.
