**OUR COMMITMENT TO EQUITY, RACIAL JUSTICE, DIVERSITY, INCLUSION AND DECOLONIZATION**

The Faculty of Social Work (FSW), University of Calgary (UCalgary), is committed to promoting and actualizing equity, racial justice, diversity, inclusion and decolonization. We affirm that diversity and uniqueness are enriching and valuable, and that they can strengthen our teaching, learning, research, scholarship, and community connections. We aim to foster an inclusive, thriving and equitable environment for our students, non-academic and academic staff, and community members. We take the stand that [equity](#) does not mean sameness in treatment of people, but rather requires measures and accommodations for diverse life experiences and circumstances to ensure that no one of a particular social group is disadvantaged, underrepresented or overlooked in all aspects of our work. We intend to address systemic inequities and compounded disadvantages due to intersectionality of social locations, particularly for those who are members of racialized communities, Indigenous peoples, Black peoples, persons with disabilities, migrant groups (including refugees and immigrants), 2SLGBTQ+ communities, linguistic minorities as well as those who have experienced socioeconomic, caregiving, religious, political, and/or cultural barriers to their education and employment. We also recognize, honour, and integrate into our work diverse perspectives, ways of knowing and doing, experiences, and strengths. An anti-oppressive lens, particularly intersectional, anti-colonial, anti-racist and decolonizing frameworks, will inform our work.

Please refer to our full statement of our [Commitment to Equity, Racial Justice, Diversity, Inclusion and Decolonization](#), our [Statement on Anti-Black Racism](#) and the work of the faculty's [Anti-Black Racism Task Force](#), our [Statement on Anti-Asian Racism](#), and the university's [Indigenous Strategy](#).

**SYLLABUS STATEMENT**

**COURSE DESCRIPTION**

SOWK 660, Advanced Practicum, is intended to offer practical and supervised opportunities to develop students' existing social work knowledge and skills to an advanced specialized level. #### **LEARNING TECHNOLOGIES AND REQUIREMENTS**

A D2L site is set up for this course, which contains required readings and other relevant class resources and materials. A laptop, desktop or mobile device with Internet access, webcam, microphone and speaker is required for D2L and Zoom access.

## **RELATIONSHIP TO OTHER COURSES**

As outlined in our [MSW Curriculum Plans](#), the Advanced Practicum provides an opportunity for students to apply classroom learning to social work practice. Therefore, this practicum is related to all other MSW courses. The practicum is taken concurrently with and is directly linked to the Integrative Seminar (SOWK 662).

## **PRACTICUM STRUCTURE AND IMPORTANT INFORMATION**

Each student has a Field Instructor(s) who provides orientation to the field setting, assigns and directs practice activities, provides supervision and opportunities for integrating theory with social work practice, and evaluates the student's progress and learning.

Students are assigned a FSW Faculty Liaison, or instructor of record, for the practicum course. The Faculty Liaison consults as needed with students and Field Instructor(s). They usually meet with the student and Field Instructor(s) at least twice (by Zoom, phone, or possible, face-to-face), typically once during the fall semester and once during the winter semester (or the half-way point). Your Faculty Liaison will also be the instructor for SOWK 662, Integrative Seminar.

### **PRACTICUM HOURS**

Students are in practicum for a minimum of 500 hours starting in the fall term.

### **SCHEDULE AND ATTENDANCE**

See the schedule below for important practicum dates. A specific practicum schedule is to be negotiated with the Field Instructor/agency, approved by the Faculty Liaison, and documented in the IPT system.

The student's time in practicum is spent according to the particular requirements of the setting and the learning needs of the student but must be consistent with the student's area of specialization (Clinical Practice).

Students are not expected to attend practicum when they are ill. In the event of illness, please contact your Field Instructor(s) as soon as possible to inform them that you will not be at your practicum due to illness. For more extended absences from practicum (more than 2 days), please contact your Faculty Liaison as well. Students are responsible for arranging with the agency a convenient time to fulfill the remainder of the practicum hours to complete the course requirements.

### **EDUCATIONAL SUPERVISION**

Educational supervision is an integral part of the field practicum as it provides opportunities (2 hours per week or 1 hour per 15 hours in practicum) for reflection, review, instruction, and feedback. Students are expected to prepare for and participate fully in the supervision, according to the requirements of the Field Instructor(s). This may be structured as individual and/or group sessions directed by your Field Instructor(s) and/or others depending on your placement. Educational supervision includes:

- Instruction: integration of knowledge, values, and skills with practice situations

- Supervision: case management and case/project supervision
- Feedback: on progress and professional development
- Other: instructional seminars/workshops as might be available

**INTEGRATIVE SEMINAR (SOWK 662)**

The integrative seminars are designed to promote collaborative learning, peer consultation, and integration of research, theory, and practice. Students discuss professional issues and practice problems while critically reflecting on experiences in the practicum. The context is collaborative, as students engage in furthering each other’s learning and professional growth and development. Seminar attendance and participation is crucial and expected. Refer to the SOWL 662 course outline for further details.

#### ASSESSMENT AND EVALUATION INFORMATION

Evaluation of students in practicum is considered an ongoing process intended to highlight the student's strengths and learning needs. The assessment of the student's educational needs and progress in practicum are formally articulated at the beginning, middle, and end of the placement. Evaluation process and policies for SOWK 660 are detailed in the Field Education Manual available online at: [https://socialwork.ucalgary.ca/sites/default/files/Field\\_Education/Field\\_Education\\_Manual.pdf](https://socialwork.ucalgary.ca/sites/default/files/Field_Education/Field_Education_Manual.pdf)

Briefly, these include:

1. **Learning Agreement:** (to be completed in IPT using the Learning Agreement form). During the first 3 weeks in practicum, the student, in consultation with the Field Instructor and Faculty Liaison, develops a provisional plan for professional development toward achieving each of the learning outcomes of SOWK 660. The learning agreement is intended to help the student develop a personal learning plan. The educational activities specified should be clear and measurable. Although the student is expected to coordinate and provide an initial draft, responsibility for completing the learning agreement is shared by the student, Field Instructor, and Faculty Liaison. The Learning Agreement is to be negotiated, documented, and signed by all parties. It should be reviewed as part of the evaluation and may be revised as needed. A meeting with the student, Field Instructor, and Faculty Liaison will be scheduled to discuss the Learning Agreement. The Preliminary Impressions form is also due in this time frame.
2. **Mid-course Evaluation Report:** (to be completed in IPT using the Learning Agreement form). At approximately the halfway point of the practicum, the student, Field Instructor, and Faculty Liaison provide online ratings and comments regarding the student's progress to date on the activities described in the learning agreement. The student's progress is discussed during a midcourse evaluation with the student, Field Instructor, and Faculty Liaison. A determination regarding whether the student is meeting or failing to meet practicum requirements at mid

course is made. Minimum achievements for meeting practicum requirements are included in the Field Education Manual.

3. **Final Evaluation Report:** (to be completed in IPT using the Learning Agreement form). At the end of the practicum, the student, Field Instructor, and Faculty Liaison provide online ratings and comments regarding the student's progress in achieving the learning activities described in the Learning Agreement. A determination regarding whether the student has met or failed to meet practicum requirements is made. Standards for meeting practicum requirements are included in the Field Education Manual. If desired, at the end of the practicum the student's progress is discussed during a final evaluation meeting with the student, Field Instructor, and Faculty Liaison.

**The student is advised to keep an electronic or hard copy of the signed IPT Learning Agreement upon the completion of the practicum.**

## GRADING

The Faculty Liaison, as the instructor-of-record, has final responsibility for assigning grades. Students receive a CR (Completed Requirements) or F (Fail) for this course. The grade assigned by the Faculty Liaison is guided by the Field Instructor's final evaluation of the student's achievement in practicum.

Concerns regarding a student's performance in practicum at any point in either semester may result in the student being identified as at-risk for failing the practicum. Policies and procedures for at-risk situations are detailed in the Field Education Manual.

Students who do not receive a CR (Completed Requirements) grade in the field practicum course may be required to withdraw from the program. A student who is permitted to repeat the practicum normally will be required to repeat both the practicum course (SOWK 660) **and** the corresponding Integrative Seminar (SOWK 662).

## COURSE EVALUATION

Student feedback will be sought at the end of the course through the standard University and Faculty of Social Work course evaluation forms. Students are welcome to discuss the process and content of the course at any time with the instructor.
