Land Acknowledgement

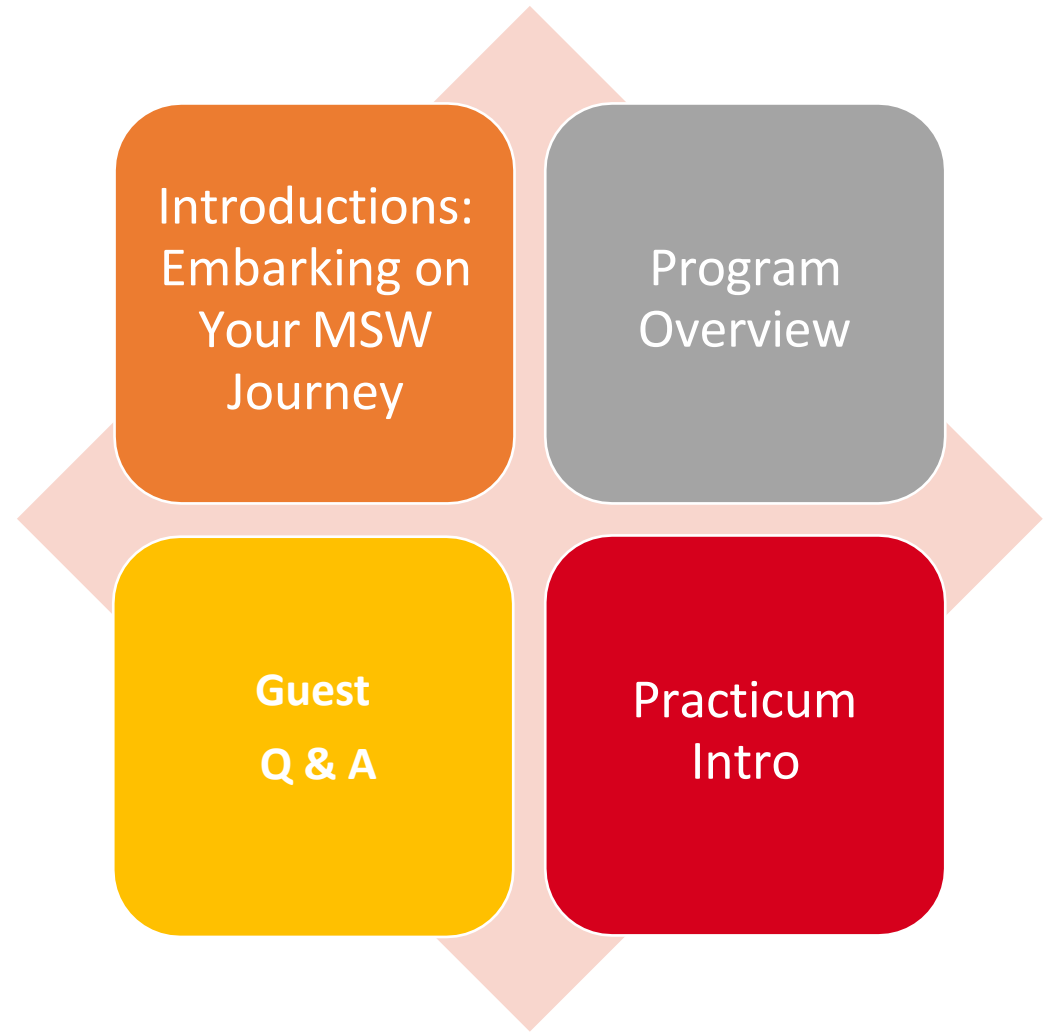

Our students, staff and academic staff are located all across Canada, and other locations on Indigenous lands.

We acknowledge that what we call Alberta is the traditional and ancestral territory of many peoples, presently subject to Treaties 6, 7, and 8. Namely: the Blackfoot Confederacy – Kainai, Piikani, and Siksika – the Cree, Dene, Saulteaux, Nakota Sioux, Stoney Nakoda, and the Tsuut'ina Nation and the Métis People of Alberta. This includes the Métis Settlements and the 22 districts of the Métis Nation of Alberta within the historical Northwest Metis Homeland.

We acknowledge the many First Nations, Métis and Inuit who have lived in and cared for these lands for generations. We are grateful for the traditional Knowledge Keepers and Elders who are still with us today and those who have gone before us. We make this acknowledgement as an act of reconciliation and gratitude to those whose territory we reside on or are visiting.

What are you most looking forward to in the next year of your MSW journey?

What is one thing that worries or concerns you about the year ahead?

What is one thing you will do to support your own success in the program? To support the success of your classmates?

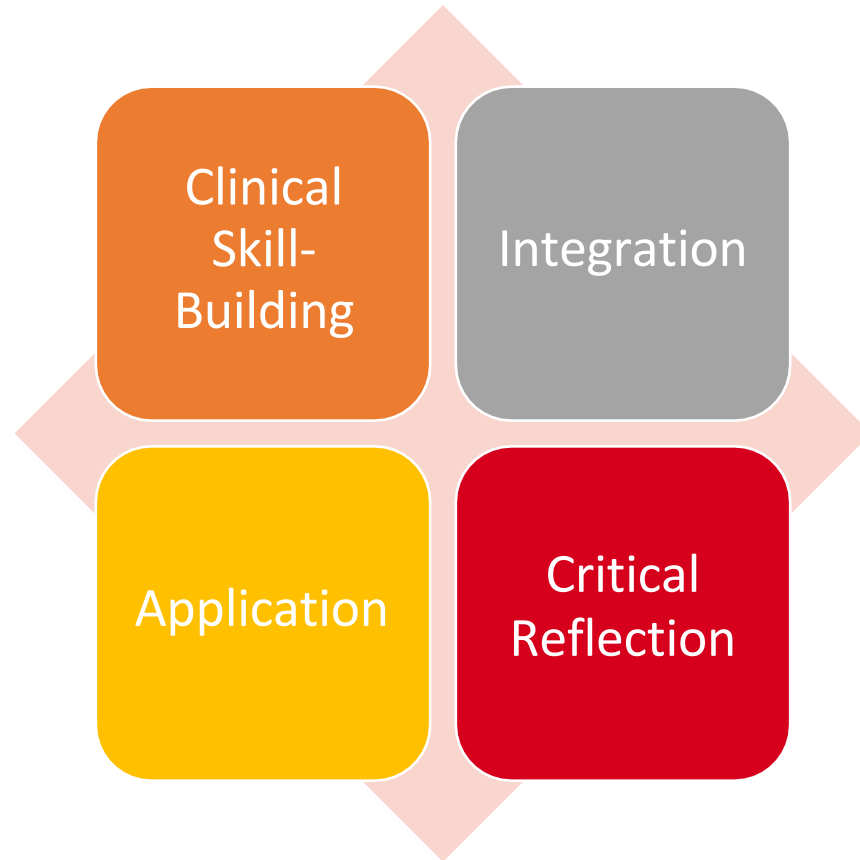

Embarking on your MSW Journey
